## the crow bar and kitchen

is committed to establishing a new category of neighborhood restaurant that will maintain the classic attributes of comfort and affordability while delivering superior food and service to its guests. We aim to bring people closer to the production of their food, both by incorporating local, regional and sustainably-grown ingredients, whenever possible, and by introducing folks to the people who make their meal possible.

### draft beer - 7.5

#### lighter on the palate

**craftsman 1903 lager** (pasadena, ca)
